For PAN exempt investors, acknowledgement copy of KYC through KYC Registration Agency (KRA) is must. Please refer notes on KYC in point 'e' below.

(e) Know Your Customer (KYC) Requirement:

With a view to bring about uniformity in securities markets and to avoid duplication of KYC process with every intermediary, a mechanism for centralization of the KYC records in the securities market has been developed by SEBI. It has been decided that a common KYC form and supporting documents shall be used by all the SEBI registered intermediaries (viz. Mutual Funds, Portfolio Managers, Depository Participants, Stock Brokers, Venture Capital Funds, Collective Investments Schemes, etc.) as mentioned in SEBI Circular No.MIRSD/SE/Cir-21/2011 dated October 5, 2011. New Investors (including PAN Exempt investors) are therefore requested to use the common KYC Application Form and carry out the KYC process through the SEBI registered KYC Registration Agency (KRA) including In-Person Verification (IPV) with any SEBI registered intermediaries w.e.f. 1st January, 2012. The new KYC Application forms are also available on our website: www.miraeassetmf.co.in. Investors are required to complete KYC process only once to enable them to invest in schemes of all mutual funds. Existing KYC compliant investors of the Mutual Fund can continue to invest as per the current practice. However, existing investors are also urged to comply with the new KYC requirements including IPV as mandated by SEBI. An application without acknowledgement of KYC compliance will be rejected. Those Investors who have obtained the acknowledgement after completing the KYC process can invest in schemes of the Mutual funds by quoting the PAN in the application form and providing the KYC status. Any Change in Address for all KYC compliant Investors has to be routed through KRA and that direct application to AMC will be not processed/rejected.

For PAN Exempt Investors - SEBI, in its subsequent letters dated June 19, 2009 and July 24, 2012 has conveyed that systematic investment plans (SIP) and lumpsum investments (both put together) per mutual fund up to Rs.50,000/- per year per investor shall be exempted from the requirement of PAN.

Accordingly, investments in Mirae Asset Mutual Fund (including SIP investment where the aggregate of SIP installments in a rolling 12 months period or in a financial year i.e April to March) of upto Rs50,000/- per investor per year shall be exempt from the requirement of PAN However, eligible Investors (including joint holders) should comply with the KYC requirement through registered KRA by submitting Photo Identification documents as proof of identification and the Proof of Address [self-attested by the investor / attested by the ARN Holder/AMFI distributor]. These exempted investors will have to quote the "PERN (PAN exempt KYC RefNo) in the application form. This exemption of PAN will be applicable only to investments by individuals (including NRIs but not PIOs), joint holders, Minors

and Sole proprietary firms. PIOs, HUFs and other categories of investors will not be eligible for this exemption.

Thus, submission of PAN is mandatory for all other investors existing as well as prospective investors (except the ones mentioned above) (including all joint applicants/holders, guardians in case of minors, POA holders and NRIs but except for the categories mentioned above) for investing with mutual funds from this date. Investors are required to register their PAN with the Mutual Fund by providing the PAN card copy (along with the original for verification which will be returned across the counter). All investments without PAN (for all holders, including Guardians and POA holders) are liable to be rejected. - There will be four blank spaces in the form for the Unit holder to indicate the closing Index levels of his choice. The Index levels filled in by the Unit holder must be in multiples of 500 points, e.g.16,000, 16500, 17000, 17500, etc. Index levels in ascending order or descending order or vice-a- versa or combination of both may be indicated. An Investor cannot choose index levels like 16,200, 15,700 but he can only choose index level in multiples of 500, such as 15500, 16000 or 16500.
- Unit holders under the Plan are offered two enrolment options viz. Flexible Installment option and Fixed Installment option. Unit holders will use separate form for enrolling under each option.

In case valid enrolment forms are received without indicating any choice of option, the default option considered for processing the form will be Fixed Installment option.

Illustration 1

Investors can invest in Mirae Asset Mutual Fund's select Source Schemes and choose four BSE SENSEX levels of their choice to transfer amounts to Mirae Asset Mutual Fund's range of select equity Schemes

Source Scheme	Mirae Asset Cash Management Fund		
Investment Amount	Rs.1,00,000/-		
Target Scheme	MAIOF	Options	
Four stages of switch execution	BSE SENSEX levels	Flexible Installment option	Fixed Installment option
I	15000	15%	25%
II	16000	20%	25%
III	17000	40%	25%
IV	19000	25%	25%
	Total	100	100

Assuming BSE Sensex is trading at 16,700 levels at the time of enrolment. In case BSE Sensex closes below 16,000 levels after 15 days, as per the illustration, under the fixed installment option of Rs.25,000/- each will be transferred from Mirae Asset Cash Management Fund automatically to Mirae Asset India Opportunities Fund (MAIOF). However if the investor had chosen the flexible investment option Rs.20,000/- will be transferred into target scheme. The remaining triggers remain active till the index reaches or crosses the trigger levels mentioned at the time of enrollment of the form.

- Under Flexible Installment option the minimum percentage to be indicated against each Index level trigger is 10% and in multiples of 1% thereafter and under Fixed installment option the percentage indicated against each Index level trigger is fixed at 25%. **The cumulative percentage under each option must be equal to 100.**
- The amount registered under the Plan as indicated in (1) above will be considered for calculating either flexible or fixed percentage (as opted by the Unit holders).
- On the trigger date, the specified percentage of the amount registered will be transferred in the Target Scheme.
- For Trigger date falling on Friday or on any business day where the next day is a non-business day, for Liquid Funds (MACMF), the NAV applicable shall be next business day for Target Scheme & for Source Scheme, the NAV of the day preceding the next business day will be applicable. In case of debt funds (MASTBF), the NAV applicable shall be the day end NAV for both Source and the Target Scheme.**

Illustration 2. if the Unit holder has enrolled in the following option

Source Scheme	Mirae Asset Cash Management Fund (MACMF)
Target Scheme	Mirae Asset India Opportunities Fund (MAIOF)
Index Level	% of the amount to be switched
16,000	20%
15,500	25%
15,000	30%
20,000	15%

Assume the following scenarios:

Opening Index Level on November 1, 2011 (Friday) is 16,200, points. The closing Index Level touches 15,800 points. As a result 1st Index levels is triggered at 16,000, which means 20% of the registered amount will be switched into the select Target scheme. In the above example if Rs.1 lac has been enrolled for the trigger plan, then Rs.20,000/- will be switched into the select Target scheme.

But since the day falling on the trigger activation day is Friday the NAV allocated for the (MAIOF) Target Scheme would be as of Monday which falls on 4th November 2011 and for (MACMF) Source Scheme would be 3rd November 2011.

- Upon transfer of the registered amount into the Target scheme, the transaction will be processed by creation of units at the closing NAV of the same day i.e. the trigger date. **Once a transaction is processed, the same will not be reversed and it will be final and binding upon the Unit holder.**
- The AMC will require at least 7 business days from the date of submission of valid enrolment forms to register the Unit holder under the Plan. Therefore, in the intervening period i.e. between the date of submission of the enrolment form and the date of registration, if any of the triggers (i.e. closing Index levels) as indicated by the unit holder is reached or crossed, the same will not be taken into consideration for activation of the Plan. Upon registration, the Unit holders will be sent a confirmation by mail or email or SMS (as opted by the Unit holder). **The amount registered as mentioned in (1) above, must be available in the Source scheme at the time of registration.**

Mirae Asset Trigger Investment Plan (TRIP)

13. The trigger once activated and processed, becomes inactive. For e.g. if the Trigger is activated at Index level of 16,500 on the Trigger date and the specified percentage of the registered amount is transferred to the Target scheme and the said trigger becomes inactive, and subsequently, in case the Index level again touches 16,500 at a later date during the period of the Plan, the Trigger being inactive, will not be processed.
14. If on a particular Business Day the trigger gets activated in such a manner that two or more Index levels are reached or crossed, the transactions will be processed by transferring the cumulative percentages of the amount registered against each of the triggered levels into the Target scheme. For e.g. if the Unit holder has enrolled in the following option:

Illustration 3. if the Unit holder has enrolled in the following option

Index Level	% of the amount to be switched
16,000	20%
15,500	25%
15,000	30%
20,000	15%

Assume the following scenarios:

Opening Index Level on October 1, 2011: 16,200 points. The closing Index Level touches 15,400 points. As a result 2 Index levels are triggered, one at 16,000 and second at 15,500, which means 45% of the registered amount will be switched into the select Target scheme. In the above example if Rs.1 lac has been enrolled for the trigger plan, then Rs.45,000/- will be switched into the select Target scheme and the units will be allotted at the closing NAV of October 1, 2011. (assuming 1st October is not a non-business day or Friday).

15. For all predetermined events the amount registered under the Plan shall be computed based on the value of the unit balance in the Source scheme, prevailing on the respective trigger date(s).
The transactions will be processed by the Fund only after verifying that the registered amount on each trigger date is equal to or more than the percentage value of the flexible / fixed trigger options (as indicated by the Unit holders). In case the value of the unit balance in the Source scheme on the trigger date is less than the percentage value of the flexible / fixed trigger options or the balance is Nil, then the said trigger will not be processed.
For e.g. The trigger gets activated. Assuming that flexible / fixed trigger option indicated by the Unit holder against the trigger is 25%. On the trigger date the balance in the Source scheme is Rs.23,000/-, whereas the amount registered for the facility is Rs.1,00,000/-, the trigger will not be processed as the balance in the Source Scheme is less than the percentage value of the flexible / fixed trigger options (i.e. Rs. 25,000, being 25% of Rs.1,00,000). Subsequently, at a later date, in case the trigger gets activated again and the balance available in the Source scheme is equal to or more than the registered amount, the trigger will be processed.
16. Whenever, redemption request is received from the Unit holder in the Source scheme and the event also gets triggered on the same date (i.e. the date of redemption request and the trigger date coincide), then, redemption transaction will always be processed first.
17. In case there is an all unit redemption and Unit balance in the Source scheme is reduced to Nil even then the Plan will continue for a period of 1 year from the date of registration.
18. On completion of 1 year from the date of registration, in case Nil Triggers or few Triggers are activated, then the balance of the amount registered under the Plan will remain parked in the source scheme.
19. In case, the balance amount registered under the Plan falls below the minimum amount of transfer per installment under STP as indicated in (18) above, the same shall continue to remain invested in the Source scheme.
20. The Unit holders will have an option of multiple registrations in the Plan. Separate forms must be used for each registration.
21. The provision of 'Minimum Redemption Amount' as specified in the Scheme Information Document(s) of the Source schemes will not be applicable for MIRAE ASSET TRIGGER INVESTMENT PLAN. Whereas, the provision of 'Minimum Application Amount' specified in the Scheme Information Document(s) of the Target schemes will be applicable for MIRAE ASSET TRIGGER INVESTMENT PLAN.
22. MIRAE ASSET TRIGGER INVESTMENT PLAN will be automatically terminated if all units of Source Scheme are pledged or upon receipt of intimation of death of the Unit holder.
23. Unit holders will have the right to discontinue the Plan at any time by sending a written request to the ISC. Notice of such discontinuance shall be made effective within 7 calendar days from the date of receipt of the said request. Triggers, which may get activated until the effective date of discontinuation shall be processed in accordance with the terms, laid herein above.
24. The Trustee reserves the right to change the indices under the Plan on a prospective basis.
25. The Trustee reserves the right to change the terms and conditions of MIRAE ASSET TRIGGER INVESTMENT PLAN. The Trustee also reserves the right to withdraw the Plan.
26. If a Trigger is not achieved and / or implemented due to reasons which are beyond the control of Mirae Asset Mutual Fund / Mirae Asset Global Investments (India) Private Limited (MIRAE AMC), Mirae Asset Mutual Fund / Mirae AMC shall not be held responsible. MIRAE ASSET TRIGGER INVESTMENT PLAN is only a facility extended by Mirae Asset Mutual Fund for the convenience of the Unit holders and does not form part of any Scheme objective.
27. **MIRAE ASSET TRIGGER INVESTMENT PLAN in any manner whatsoever is not an assurance or promise or guarantee on part of Mirae Asset Mutual Fund / Mirae Asset Global Investments (India) Private Limited (MIRAE AMC) to the Unit holders in terms of returns or capital appreciation or minimization of loss of capital or otherwise.**
28. All rights in the SENSEX vest in Bombay Stock Exchange Limited ("BSE"). BSE shall not be held liable or responsible in any manner whatsoever for any loss arising to any investor under this Plan. The Plan is not sponsored, endorsed, sold or promoted by BSE.

- e. Under the **VTP - Quarterly Interval**, unit holders will be eligible to transfer **{fixed amount to be transferred per installment or the amount as determined by the following formula [(fixed amount to be transferred per installment X number of installments including the current installment) - market value of the investments through VTP in the Target Scheme on the date of transfer] whichever is higher}** on the 01st, 10th, 15th, 21st and 28th of the each quarter. Illustration 1: How to calculate the transfer amount?

Source Scheme: Mirae Asset Cash Management Fund

Target Scheme: Mirae Asset India Opportunities Fund

Suppose an investor chose a monthly VTP option from Mirae Asset Cash Management Fund to Mirae Asset India Opportunities Fund of amount Rs 5000. And he has already transferred three installments upto date September 15, 2010.

Total units allotted upto the date of last installment i.e. September 15, 2010 is assumed as 1400. The NAV of Mirae Asset India Opportunities Fund - Growth Option on October 2010 is assumed as Rs.9.50 - per unit.

So the market value of investment on the date of transfer is 13,300 (1400 x 9.50). The next installment as per the VTP will be calculated as per the following formulae, higher of the following Fixed Amount to be transferred per installment (Rs.5,000/-) OR [(Fixed Amount to be transferred per installment * Number of Installment including current installment) - Market Value of Target Scheme] = (5000*4) - 13,300 = 6,700.

Since 6,700 is higher than the fixed amount per installment 5,000, the next VTP will be for Rs. 6,700/-.

Note 1 : The VTP installment dates above are assumed to be Business Days.

Illustration 2: NAV applicability in case the transfer date is a non-business day?

Source Scheme: Mirae Asset Cash Management Fund

Target Scheme: Mirae Asset India Opportunities Fund

And he has already transferred three installments upto date September 15, 2011. 15th September is a non business day, then the NAV allotted to him for purchase into Mirae Asset India Opportunities Fund will be the NAV of the next business day (16th September if it is a business day) and NAV for Mirae Asset Cash Management Fund will be 15th September.

Illustration 3: NAV applicability for the transfer on a Friday?

Source Scheme: Mirae Asset Cash Management Fund

Target Scheme: Mirae Asset India Opportunities Fund

Suppose an investor chose a daily / weekly / monthly / quarterly VTP option from Mirae Asset Cash Management Fund to Mirae Asset India Opportunities Fund. His next installments date is September 16, 2011, which is Friday. The NAV allotted to him for purchase into Mirae Asset India Opportunities Fund will be the NAV of the next business day i.e. Monday (19th September if it is a business day) and NAV for Mirae Asset Cash Management Fund will be 18th September, Sunday.

 - o. There is no maximum duration for VTP enrollment. VTPs will be registered in a folio held by a minor only till the date of the minor attaining majority, even though the instructions may be for a period beyond that date. The VTP facility will automatically stand terminated upon the Unit Holder attaining 18 years of age.
9. In respect of VTP enrollments made in the above-mentioned Scheme(s), the Load Structure prevalent at the time of enrollment shall govern the investors during the tenure of the VTP. Load structure for investments through VTP to the Schemes eligible for this facility:

Mirae Asset Variable Transfer Plan (VTP)

* **Exit Load of the Source Scheme(s)**

The amount transferred under the VTP from the Source Scheme to the Target Scheme shall be effected by redeeming units of Source Scheme at applicable NAV, **after payment of any Exit Load**, if any, and subscribing to the units of the Target Scheme at Applicable NAV.
