

NIFTY TECHNICAL VIEW: Near Critical Resistance

8th Mar, 2017

Nifty is hovering near its resistance of 8900. It faces a critical resistance zone of 9000 - 9100. A new up trend may begin above 9000 if Nifty sustains above that level.

8600 is now a strong support and if Nifty falls below this, then the trend may start downward up to the next support level of 8300.
