

## NIFTY TECHNICAL VIEW: Nifty in uptrend

11<sup>th</sup> Jan, 2017

Nifty has broken above 8300 convincingly and has entered an uptrend. If it sustains above this level then it may rise up to 8500-8700.

8300 is now a strong support and if Nifty again falls below this, then the trend may start downward up to the next support level of 7900-8000.
