

NIFTY TECHNICAL VIEW: Nifty in bullish territory

30th Dec, 2016

Nifty has broken above its key resistance of 8150, if it sustains above this, it may rise further up to 8300.

For any major rally to start, Nifty has to cross above 8300 and then it may rise up to 8500-8700.

On downside, if Nifty is unable to sustain above 8150, it may drop further and move between 7900 – 8150.
